

Fun Facts About Fish Video Lesson Worksheet

Grade 5

Watch the video **Fun Facts About Fish**.

Answer the following questions while you are watching the video:

1. What 4 things do all fish have in common?

2. What problems do big fish face that are similar to mosquitos?

What is the name of the fish that helps the big fish with this problem? What does it do?

3. Name the 6 different fish that are described in the video.

Which one do you think is the most interesting and why?

4. Tell us why fish are important to humans.
