

## **Types of Teeth Video Worksheet**

### **Grade 5**

Watch the video **Types of Teeth**.

Answer the following questions while you are watching the video:

1. When you grow up, how many teeth will you have?
2. How many baby or “milk” teeth do children have?
3. Name the 4 things teeth do to food.
4. Name the 5 types of teeth and describe what they do.
